"FACE to face, I to EYE"

Thank you and may God bless you for earnestly seeking His Glorious Presence while visiting this spiritual oasis to quench your thirst... for Wisdom.

Here, at a "th-inking" in time -- a twinkling pinpoint of intensely concentrated mental energy; a sacred "i-land" in space, -- within "this Dream of Consciousness"...

"Being" conceived and initiated in order to answer questions that many people have had regarding the original "Returnity"/"Godyssey" website [located at <http://www.Godyssev.org>]...

Which has now become a continuing 30-year endeavor to communicate an ELECTRIFYING AND ELEVATING PROOF OF GOD'S EXISTENCE; first published via the World Wide Web, one 1/2 hour prior to the World Trade Center Attack (at 8:17 AM EDT) on Tuesday, September 11, 2001.

The entire seven-page website was created over a seven-hour period, and the rights to the following domain names were ALL acquired on Monday, September 10, 2001:

<http://www.Godyssev.com>
<http://www.Godyssev.org>
<http://www.Godyssey.net>
<http://www.Godyssev.tv>
<http://www.Returnity.tv>

The correspondence on subsequent pages (click link below), between D.S. Fine and many individuals worldwide (occurring in the timeframe from September 11, 2001 to September 11, 2003), encapsulates the inception and history of the site, serving to inform, hopefully uplift and, prayerfully, enlighten -- a wondering, wandering world.

The answer to Whom the Man may be, in reality (or in 'Returnity'), at the top of the first page (the only page previously published -- on December 27, 1999), -- is almost incidental and Transcendental to the fact that whomever he is, -- H/he has, in "Essence," ushered in a new Millennium, as powerfully as a lightning-fast "express train of thought."

Will it be a Millennium of Hope?

-- Or Fear? --

...Of Trust? -- In the current world system? --

...Or in our Inconceivably Mighty & Merciful Lord...

Our Presently Silent, Long-Suffering Creator.

Our Redeemer and...

Our Savior.

Let us wholeheartedly pray that it is Hope, Faith and Trust in God. In a Good and Just God.

Let us instantaneously and forever renounce violence, turning irrevocably away from hatred and evil.

Today and Evermore.

This Moment.

Now.

Let us rekindle that blessed Ember of Hope in the "heart-warming" possibility of Peace, Love and En-"lighten"-ment which has lived, hidden from the world, within the cavernous soul of every human being who has ever walked upon the face of the Earth.

A Holy Spark FROM our Creator, -- entrusted to, Breathed upon and reignited BY our Creator, -- after billions of anguished attempts to extinguish the Light ...and the Warmth... the Passion and COMPASSION... of Love.

And He has Divinely guided and inspired one man, -- no longer young, yet still innocent in his belief in the Miraculous, -- to open his once-closed heart to a once-opened world.

At a Dreamlike, Deja-Vu Crossroads in Time and Space once known as the World Trade Center; now a horrific nightmare whose very blood cries out from:
GROUND ZERO!

We were...

Once Removed...

In an Uplifting, Upstanding Rapture of Belief -- amidst suspension of disbelief? -- AND/OR in a fallen, crestfallen rupture of arrogance and "ang-wish" fulfillment?

Where do YOU Stand? Or fall?

If you do not believe in the Miracle of God's Existence, how can you even begin to believe in the miracle of your own existence?

I AM PLEADING WITH YOU.

DO NOT BREAK HIS HEART.

TURN NOT AWAY FROM GOD.

HE IS COMING

AT THE SPEED

OF THOUGHT.

For, truly:

A MIRACLE MUST BE BELIEVED TO BE SEEN.

PLEASE OPEN OUR EYES, O LORD! WE MUST LOOK AT OUR OWN REFLECTION IN THE MIRROR AND SINCERELY ANSWER -- THE ETERNAL QUESTION: WHO CREATED US? WHO DREAMT US INTO EXISTENCE? WHO BELIEVED IN US? WHO LOVED US? WHO LIVED FOR US? WHO DIED FOR US?

CAN HE RESURRECT US AFTER DEATH? AS SURELY AS THE WORLD TRADE CENTER SHALL RISE AGAIN IN UNITY FROM THE ASHES, HE SHALL RAISE US UP FROM THE DUSTY DUALITY OF GOOD AND EVIL. FROM THE SHATTERED ILLUSION OF SEPARATION TO THE UNBROKEN PROMISE OF REPARATION.

AND REDEMPTION.

WE SHALL NOT ALL SLEEP...

DURING THE LAST DAY.

THE FINAL HOUR.

OUR LAST BREATH.

ONE LAST HEARTBEAT.

OUR DAY OF JUDGEMENT: OUR BROKEN IMAGE IN THE MIRROR? -- OR OUR DAY OF MERCY AND RESTORATION. -- IF ONLY WE WILL ACCEPT HIS GIFT...

OF LOVE AND...

GRACE.

NOW.

RIGHT NOW.

BEFORE it IS too (little too) LATE.

BEFORE WE CAN SECOND GUESS OURSELVES OUT OF OUR FIRST LOVE.

HIS "PRESENT" IS A "GIFT."

THIS VERY SECOND.

THIS VERY INSTANT.

THIS TWINKLING

OF HIS

"I."

I say to you, who have seen and not believed; and also to you, who refuse to look upon the One Who was wounded for our transgressions, bruised for our iniquities ...with Whose stripes we are healed:

GAZE STRAIGHT INTO THE EYES OF YOUR ALMIGHTY FATHER IN HEAVEN, AND YOUR BROTHER WHO CAME TO SAVE YOU ...FROM THE DARKEST PART OF YOUR SELF.

FROM YOUR UNCONSCIOUS WISH TO DESTROY THAT WHICH CREATES.

THAT WHICH SERVES AND OBSERVES.

THAT WHICH COMES AND BECOMES.

THAT WHICH GIVES AND FORGIVES.

THAT WHICH LOVES AND IS LOVE.

AS THE ETERNAL SUN, REFLECTED IN MANY BROKEN IMAGES UPON TURBULENT WATERS IS, -- IN REALITY, -- ONE, -- ALSO IS THE SON OF GOD, UNENDINGLY-REFLECTED AND DISTORTED UPON A RESTLESS AND SOMNAMBULENT HUMANKIND, -- ONE BEING, -- BENEATH, ABOVE AND BEYOND, WITH, WITHIN AND WITHOUT ALL IMAGES.

FROM OUT OF THE INEFFABLE MAJESTY OF SPACE, "IN-FUSION," "A-LIGHTING" INTO THE UNFATHOMABLE MYSTERY OF TIME, HE SHALL, ONCE MORE, APPEAR AMIDST YOU.

PLEASE PARTAKE OF THIS MOMENTARY INCANDESCENCE. THIS RADIANT BEACON OF HOPE AND TRUTH. -- LIGHT YOUR TORCH FROM IT AND CARRY IT THENCEFORTH TO THE FARMOST REACHES OF THE ENTIRE EARTH.

It IS UP to YOU.

It ALWAYS HAS BEEN.

AND HE HAS BEEN WAITING FOR YOU; PARTIALLY-OBSCURED AND DISTORTED BY A MIND-BENDING MENAGERIE OF RESTLESS "ILL-YOU"-SIONS OF SEPARATION;

CAMOUFLAGED AMONGST THE MINDLESSLY UNINVITED, UNINFORMED UNIFORMITY OF BLOOD-FEUDS, JEALOUSIES, GREED, HATRED, DESTRUCTION AND WARFARE; HIDDEN, NAY, "SPIRITED AWAY" BEHIND A "ONE-WAY" MIRROR OF LOVE.

WITH AN ACHINGLY OPEN HEART & OUTSTRETCHED ARMS; HIS HOLY SPIRIT ENSHROUDED AND CLOTHED IN THE INTERWOVEN GARMENTS OF PEACE, JOY, LOVE, BLISS AND CONTENTMENT TO BRACE AND EMBRACE YOU, -- HIS ONLY CHILDREN, -- HIS BROTHERS AND HIS SISTERS, -- HIS BELOVED AND HIS BETROTHED...

HE HAS BEEN WAITING...

AND WATCHING...

FOR A VERY...

LONG...

TIME...

THIS

MAY BE THE

LAST TIME TO...

HONOUR OUR HOUR.

BEFORE the LIGHTS FLASH

AT THE CROSSING,

the WHISTLE BLOWS,

The first page of the website (dedicated to this 238 page book, which is unavailable to the public) publishes a videocapture of the man whom D.S. Fine believes to be his Savior, from the 13 1/2 minute video and a testimonial as to the events leading up to its origin.

Due to the fact that "Godyssey" was first published via the internet for the first moment only one 1/2 hour prior to the horrific, unspeakable and heartless acts of Tuesday, September 11, 2001, D.S. Fine feels that this is an additional proof of the miraculous revelation of God.

Dear ,

Please forgive me for not being able to respond immediately to your phone messages; it's probably been the most intense 2 weeks, I have ever experienced!

I have not seen a soul in almost a week and am only now beginning to reacquaint myself with the world.

As you could probably tell by my previous e-mails, I've had to reach deep down inside myself, thenceforth outwards and upwards to the heavens for Divine Inspiration.

In that regard, whenever I view (the included) page, I think of you. My angel, who reached out of her dreams and into mine.

Much Love, Peace, Joy, & Blessings,
David

I must say that your page was rather interesting. Just browsing through because somebody sent it to me through mail. However, I still don't get your warning about the graphic revelations. I'm of a young age but I pretty much rationalized what you were trying to say. Anyway, good luck and may God bless you.

Dear ,

Thank you so much for your kind, thoughtful and gratifying comments.

Your e-mail message was the first one that I have received, other than friends', and I was encouraged to hear that you have the inner strength and maturity to come to such a wise conclusion.

It's been my experience that ultimately, the magnitude of God's glorious and Almighty Power is truly deserving of human respect, yet He is our Creator and Father and His Love and Grace are equally powerful.

God bless you

The very real possibility of a new, spiritual enlightenment is already on the horizon.

"The author's writing betrays a soul of great depth," commented Rabbi Lawrence Kushner, author of "The River of Light."

"Brilliant and unforgettable" is how Charles B. Everitt of The Globe Pequot Press characterized "Godyssey."

"Reaching mystical heights," stated Scott Meredith, N.Y.C. literary agent.

Godyssey contains never-before revealed, monumentally stunning and graphic information which will forever alter and expand one's consciousness.

On August 10, 1997, after experiencing a profoundly miraculous series of events, the author/photographer Jess Fein/D.S. Fine encountered a man whom he believes to be his Savior, recording His image on video.

This brief, yet astounding and uplifting video was then incorporated into an inspirational program entitled: "Returnity," and delivered to numerous individuals, churches, and cable access stations throughout the country.

The first page of the website (dedicated to the 238 page book) publishes a videocapture of this man, from the 13 1/2 minute video and a testimonial as to events leading up to its origin.

Due to the fact that "Godyssey" was published via the internet for the first moment only one 1/2 hour prior to the horrific, unspeakable and heartless acts of Tuesday, September 11, 2001, D.S. Fine feels that this is an additional proof of the miraculous revelation of God.

One Man's Revelation of Christ Goes Online Coincident with World Trade Center Attack

BOSTON, Sept. 28 /PRNewswire/ -- D.S. Fine published the online story of how he encountered God, immediately prior to the terrorist attacks on the World Trade Center. He believes the coincidence happened by Divine guidance.

(Photo: <http://www.newscom.com/cgi-bin/prnh/20010928/NEF001>)

Fine tells of this face-to-face revelation in his book, ``Godyssey: A Young Man's Proof of God's Existence.'' It occurred on Sept. 16, 1974 and ultimately led to the creation of his book, first published in 1980. Thereafter, it was reprinted with over 70 color photographs in 1994, and is now available in excerpted form via the World Wide Web.

For excerpts, see: <http://www.Godyssey.org>.

``This experience, when communicated to others, has such overwhelming significance for humanity, that the full scope and ramifications of a possible worldwide shift in consciousness cannot be immediately foreseen,'' says Fine, who, in addition to writing and publishing ``Godyssey,'' is a photographer and videographer.

Rabbi Lawrence Kushner, author of ``The River of Light,'' has said of this 233-page book, that, ``[D.S. Fine's] writing betrays a soul of great depth.''

After experiencing the first revelation of what he calls ``a profoundly miraculous series of events,'' Fine says he recorded on videotape an image he believes to be the Savior.

He has since incorporated the video, ``made at a public event attended by thousands of people,'' into an inspirational program which has been distributed to individuals, churches and television stations throughout the United States.

Due to the fact that ``Godyssey'' was published via the internet for the first moment only 1/2 hour prior to ``the unspeakably heartless acts of Tuesday, September 11, 2001,'' Fine feels that this is, ``an additional proof of God's passionate and compassionate intervention.''

``Astoundingly,'' says Fine, ``the domain rights (to <http://www.Godyssey.org>) were acquired on Monday, September 10th, and the entire website was created overnight in just 7 hours... I wholeheartedly believe that the Lord, in His wisdom, divinely inspired this 27-year odyssey and intends for His message to reach all souls living on the earth.''

Fine is offering his experiences without remuneration, and extends ``his love and prayers for the victims, families and survivors of the horrific events of September 11, heartfelt prayers for peace and joyful expectancy for the imminent, visible, worldwide return of Jesus Christ.''

Dear Jude,

While reading the posts on your news group, referring to my invitation of October 4, "Returnity: Has Christ returned?" / "Godyssey," I was disheartened (actually brokenhearted) to learn that some are unable to witness the truth that resonates in every fibre of my being, with all my heart, spirit and soul.

I am Divinely inspired to share it this truth with you and the readers of your news group.

I pray that the Holy Spirit shall open their eyes, hearts and minds as He has opened mine.

Is it so difficult to believe that our Lord Jesus Christ would come first to those who love him? I love Him with all my heart. And that is why I believe he appears and communicates face to face with His beloved flock.

We will see a miracle when we believe it.

And when seen, we shall cry for Him, as a child cries desperately for his Father, for the one who was pierced and crucified and despised for our sins.

I cried a river of tears for Him and now they have been rapturously transformed into tears of Joy. Jesus has truly reached into my life, and lifted me up. He saved me.

Gloriously, blessedly, finally, MIRACULOUSLY - He has RETURNED!

This is the testimony of a witness to history, to salvation, and to His Grace.

Thank you so much for asking to see the facts objectively, from a wider perspective.

May the Lord bless you, guide you and inspire you with His Love and Wisdom.

With Christ's Loving Joy,

Dear Jude,

I have tears of Joy in my eyes after reading your loving, understanding and compassionate response.

You have touched my soul with your ability to be willing to allow the Lord to inspire you to see the full picture - and I'm deeply moved and gratified that I posted the invitation on your news group.

When you asked about why it was mentioned on my website that God could be conceived of as He, It or She - even though I personally believe God is He, (because of His attributes of Almighty Power, and yes, Infinite Love and Grace) - in His Wisdom, He has inspired recommunication that the gifts of freedom of choice and belief, as we enjoy in America, are His eternal blessings upon us all.

If I were to impose my own beliefs on others, it would rescind His own gift of free will to humanity. As has often been said, "if we were forced to love God, it wouldn't be love at all."

In His magnificent Grace and miraculous ability to redeem and resurrect those who love Him, He has proven His Lordship.

It might surprise you to know that your group was the fourth and last one I was inspired to post on, believing that the truth and miracle of it must be carried forth by all genuine believers in Jesus Christ. My work of 27 years is complete and I believe the Lord Himself shall water and care for this holy seed planted in His name, bringing it to fruition in His own wondrous time.

The torch of Divine inspiration has been passed on to you and yours and thenceforth to the world.

May Salvation and Redemption be a reality for all who love Jesus Christ, the Son of God, our Father and Creator.

God bless you.

With Christ's Love,
David Fine

FOR IMMEDIATE RELEASE
(BOSTON, MA)

THIS MESSAGE IS BEING DELIVERED TO 15,000,000 PEOPLE WORLDWIDE ON THIS DAY,

OCTOBER 17, 2001.

On the morning of September 11, 2001 (at 8:17 AM, Eastern Daylight Time), "Godyssey: A Young Man's Proof of God's Existence" was first published via the world wide web.

Seven web pages (located at <http://www.Godyssey.org>) include excerpts from the original book (First Printing, June 1980; Second Printing, November & December 1994)...

Subject: Re: Don't miss the goal/ A Vision Restored

Dear Janne,

Thank you for your heartfelt response to my e-mail message. I can sense that, even though you may not immediately believe that Jesus Christ's Return has occurred (the reality of it IS quite inconceivable and Miraculous!!!), your feelings and prayers come directly from the heart.

The only way I can meaningfully respond to you, would be to tell you about the woman who composed and performed the poignant, uplifting and inspiring music for my video, "Returnity."

She and I met, over a dozen years ago, in Boston.

Although she was looking directly in my eyes during our conversation, it wasn't until almost a half hour later that I realized she was blind.

Because she had become capable of knowing approximately where a person's eyes were, she was able to overcome the outward impression of being sightless.

The increasing signs were becoming evident, yet it was only when I had seen her cane, that I even inquired about her vision.

She said that she had been blind virtually all of her life and that people were often surprised to learn, when first meeting her, of her condition.

I was stunned. How on earth, could she return my gaze so penetratingly, if she did not have our God-given, blessed ability to see?

Well, we became pen-pals and have communicated for all these years. She lives in Holland and I live in America.

In the mid-1990's a miracle occurred. She had regained her sight!

She and her husband travelled to the United States and visited me in 1996.

This was the first and only time she has ever seen me and only the second time I have seen her.

To say it was a glorious and joyous reunion would be a tremendous understatement!

She was childlike in her enthusiastic fascination with everything we normally take for granted - insects on flowers, aromatic candles, toys, automobiles, other people's faces, - yet, since she had almost nothing to compare her new visual experiences with, she was remarkably non-judgmental; one could even say, innocent.

For whatever reason her vision was restored, I believe it was a genuine miracle. One that only God's Holy Spirit and Healing Love could create. Even if we could only have shared our excitement in exploring the wonders of life together for just that one day.

Similarly, although most of the world, did not see Christ when He came the first time, God, in His Infinite Wisdom, Grace and Mercy has given us all a second chance. Not only to wonder at His astounding Resurrection, Redemption and Salvation of humanity, but to see His glorious Face, and live in His Holy Presence. Even if only for just one Day.

Today, October 18th, is my "visionary" pen-pal's birthday.

And it could be your Spiritual birthday, also.

God bless you
With Christ's Love and Joy,
David Fine

P.S. - If you could provide an address, I would be more than happy to send you a videotape of "Returnity," as soon as possible.

Shalom

Dear David!

I have seen how the devil deceives people to believe that he is God. My friend believed was in a New Age cult. She believed that different spiritual things what happened came from God. They was also believing that the trees has spirits in them and they believe in metempsychosis. They also prayed to Jesus but they did not understand that they prayed Satan because they had not received Jesus in their hearts. God did show my friend the truth. Don't you think that you believe in God hinders him to try to deceive you.

When Jesus returns all the people will know it. He will return to Jerusalem on the temple mountain. He will draw the press to him and not the other way. Read the parts of scriptures I sent you. The filings you got dos't prof anything. Satan can produce same filings because he can replicate God but not create anything. Satan is the greatest deceiver. Ask God if I'm right and He will answer you. One other thing. Many events what is profetaist to happen before Jesus is returned has not happened. There is for example not any troops outside the walls of Jerusalem and every nation hasn't heard the gospel. I don't believe that Jesus has come in secret because God has not told His profets about it. About the tape. I don't believe that Jesus has returned even if I see the tape so don't send it to me. I have work to do in Gods kingdom before He returns. I just wanted to warn you and now are you warned. I hope that God bless you an take you

closer Him so that you feel his love and don't follow the wrong Jesus.

Shalom from Janne

As my name is translated "God is merciful" I hope that He is merciful to you to.

Dear Janne,

I agree with you that counterfeits do exist, yet God tells me in my heart and soul that the most adept counterfeiter in existence cannot ever counterfeit Genuine Love.

This is what I have received from Jesus Christ, without question or doubt, within every fibre of my being, heart, soul and spirit: Genuine Love.

When one has witnessed firsthand the miraculous power of the Lord's Holy Power of Redemption, there is simply no alternative than to joyously "shout from the rooftops" to all of Creation about His magnificent Grace, Salvation and, yes, Mercy!

With deepest prayers for peace, love and understanding, in the Holy Spirit,
Always,
David

Dear David

I'm glad of the joy you got from the Lord. I have received it to. Therefore have I in my heart a joy and a desire to serve Him as a pastor. Even if I'm young (31 years old) have I seen much of the work that can satan do. Both in my personal life and in others life. If my words was hard was that because I wanted you to think over and question the information you got. If you ask the spirit what you got that do it confess Jesus as its lord and if it then answers yes its from the Lord. If not then it is from the devil. I don want you to go wrong even if I don't know you in person. Please understand that your believe can't be based only on filings. It has to be based on lot more than that and mainly on the promises of the Lord, which is found in the Bible. I don't see in there that Jesus second return would be in secret. On the contrary. As I wrote no one can't say that he is not returned when he return. Therefore I do not believe on his return. God is great because we have time left to do the work of spreading the gospel because I want friends with me to heaven. :) When Jesus return the time of work is over and the judgement begins.

Dear Matthew,

Your desire to know the reality of Jesus is truly admirable, you must love Him very, very much. I am truly communicating with you the best way that I can, so please bear with me.

I have a question for you. If you met a man who didn't immediately look like the man on the first page of my website, (but there was something vaguely familiar about him), and he asked you for just a nickel or a dime for a cup of coffee, but you refused to give him any money - was that man just a stranger?

Or stranger than fiction?

Would you recognize Him, later?

Or would it be too late?

...Well, the reason I'm asking you this (besides asking for patience), is that I met that Man, in exactly the way I described, but I did give him some money.

He looked me straight in the eye, (almost straight though my soul!) and said, "There is a God."

At which point, I replied, "That's for sure!" while reaching into my pocket to find some more money.

He said, in a very loving, warm, gentle, light and humorous voice, "Don't overdo it."

Have you ever had someone on the street,, appearing down-on-their-luck, asking for 5 or 10 cents for some coffee, and then when you offer to give Him more, He declines?????????

It was a few days later when it dawned on me where I had seen that Face, (this time - beardless) and those penetrating eyes before - it was the Man in the video!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I was being Judged!

And, hopefully and prayerfully, it was a sufficiently compassionate action on my part!

So, I say prayerfully to you, when you need Him, He will find you and when He needs you, He will find you.

And, if you provide Him with "small (yet, meaningful) change," He will provide you with a crucial, uplifting change in your Life.

God bless you,
With Christ's Holy Inspiration, Faith, Love & Charity, David Fine

P.S. - Regarding the experiences, images and advisories in my website, please remember these vital Bible quotations:

"A human being shall not see My face and live."
- Exodus 33:20

"Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God."
- John 3:3

"A new heart also will I give you and a new spirit will I put within you: and I will take away the stony heart out of your flesh, and I will give you an heart of flesh."
- Ezekiel 36:26

"The fear of the Lord is the beginning of wisdom: and the knowledge of the holy is understanding."

While reading these wonderfully uplifting, thought-soul-and-spirit-provoking posts, regarding the Trinity of God, I was Divinely Inspired, in a "revelatory" way to conceive of the Father, Son and Holy Spirit in terms of our own God-Created universe.

It is astonishingly easy to visualize our Beloved Creator, in scientific/ Physics terms, (if I may be so bold) as a (Divine) Solid, Whom, when transforming Himself to our dimension, becomes Liquid. As ice melts to form water - one might say, via the agency of warmth (or Compassion!!!!)

[Perhaps, that we may drink from the "Water of Life, thus becoming One with Him!]

And, when He must depart from our realm to the next, (if the heat in our sometimes hellish realm has a tendency to flare up, in anger and hatred), He "evaporates" becoming a Gas (The Holy Spirit), a diffuse Entity which permeates All.

In His Infinite Wisdom, He has given us His (scientifically-verified) Law of the Conservation of Energy, which declares that Energy can neither be created nor destroyed.

In other words, Energy in EACH of its three interchangeable Forms, IS ETERNAL!!!

When He Became the Water of Life on our earth, to our sorrow, we did not drink.

When the heat of our irrational anger and hatred flared "upwards," in our shameful ignorance, we "heated up" that Liquid to the boiling point" and evaporated that Wondrously Pure, Eternal Life-Giving Water, transforming it back into a gas, which arose upwards back into the Heavens!!

For that Water to Return to our Earth, we must melt the Ice of God's indifference to our prayers (because we made His ONLY Beloved Son disappear from our collective vision - although He still EXISTS!) We must accomplish this via the agency of BEING WARM AND LOVING AND COMPASSIONATE TO OUR BROTHERS AND SISTERS IN CHRIST AND IN THE WORLD, thereby, once again melting the ice in God's Holy Heart and witnessing the GLORIOUS RETURN OF HIS PRECIOUS SON, OUR LORD AND SAVIOR JESUS CHRIST!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

WHEN HE COMES AGAIN, I BESEECH YOU, IN THE NAME OF THE FATHER, AND OF THE SON, AND OF THE HOLY SPIRIT, TO GIVE HIM THE COMPASSION WHICH WAS NOT AFFORDED HIM THE FIRST TIME.
ELSE WE SHALL ALL FACE THE WORLDWIDE, UNIVERSAL CATASTROPHE OF FIRE AND

ICE!!

We must, at the very least, afford Him the water He requested and deserved, instead of the bitter vinegar of contempt.

I do not know much about science-- but I do believe that God is energy-and I can even see that He could be fire and ice. As creator of all, I can see that he is more powerful than lightening as He would , I do not believe, create something more powerful than Himself. I think that He can take any form that He wants. When I think of the beauty , in his mind, that He created such a world for man, that we never get tired of looking at things- the scenery and all- That artists paint and paint- but none can find anything beautiful to paint except what God has already created, I get overwhelmed when I think of the mightiness of God. I enjoyed your post. We all see God in our own way- and I beleive that as you say--How we see Him is how He is to us. You have stirred my imagination.

Thank you--

I had forgotten this until the Holy Spirit reminded me of it while ago.

A long time ago, God showed me this river of living water (the Holy Spirit). He said that some take this one little glass of water and nurse it all their lives, they thirst and they take this little sip and never really have their thirst slaked.

He said that we can have all that water we want to drink, that it is there for all of us, all we want and all we could ever need.

To Whom It May Concern,

While reading a news report, today, on <http://www.WorldNetDaily.com>, I first learned of your most worthwhile contribution to human knowledge, and, therefore, hopefully (and prayerfully) to human wisdom.

After searching your archives, without much success, for my website, located at: <http://www.Godyssey.org>, it is my responsibility to notify you of its (mission and) omission.

On September 11, 2001 (at 8:17 AM, EDT), pages 2 through 7 of my website were first published via the world wide web.

The first page of <http://www.Godyssey.org> was initially published on December 27, 1999.

I am providing your organization with this factual information, due to the historical significance of

the events coincident with its publication.

It would be a privilege and an honor to be included in your vast (and vastly valuable) record of the history of human communications on the Internet.

Thank you for the opportunity to be a part of History.

God bless you.

You are such a beautiful person. Thank you so much for the package and all the sweet, nice things you put in you, you spent WAY TOO MUCH mailing it, too, next time you send it out, just go regular priority, you will go broke sending them out the way you did mine.

It is a beautiful video. The first part I watched was the one you did. I have pink eye, lol, tried to watch the angels one this morning, but couldn't stay awake. Eye was burning.

Now, I know you know the Lord, I know you are beautifully blessed with the Holy Spirit, you bless me richly.

I need you to tell me why you think this man in the picture is Jesus. Have you ever fallen under the Holy Spirit before, lol, that was what happened to you---was no heat stroke. The minister at the last church I went to looks just like Jesus, too. I MEAN just like what people think He looks like, me have never seen Him. I have also fallen under a minister's anointing, I have a friend that when this particularly anointed minister comes to town, all he has to do is point at her and she falls down.

I am not saying that it is not Jesus, but the word says when He comes back, He comes back in the clouds and all will know and see His return. Lol, I am not saying He could not have been making a little visit, though, for sure.

So you just keep on believing, you are such a doll, and such a good Christian person, I love you dearly. You have a beautiful testimony. You always bless me so much, I see Jesus in you.

Thank you again so very much you sweet, sweet person.

Subject: "Beyond Question"

Dearest Beverly,

Your letter was beyond question, the kindest, loveliest and most appreciative one I have ever received, in regard to "Returnity." (Now, you know why I call you "Dearest!")

It may "floor" you (or you may fall under the Holy Spirit) to learn that in the almost 4 years since "Returnity" was produced, only one other soul has ever asked to see the video (and that was because the one I had given her was stolen from her car!)

When you wonder why the special mailing procedure was in order, now you know that, too.

As impossible as it may seem, there are very few people who have truly opened (or awakened) their hearts, minds, spirits and souls sufficiently enough to begin to comprehend the Reality that Christ never leaves us; rather, it is our inability to believe, perceive and receive Eternity, which causes our collective vision to sense the Kingdom of God "as through a glass darkly."

September 11, 2001 was the moment in history when our collective Spiritual Alarm Clock was pre-set, by Our Father in Heaven, to wake us up, and the clouds witnessed above the World Trade Center were the "pre-veiling" Clouds, seen around the world, rolling back and unveiling His Glorious Spirit of Truth, Love, Unity, Freedom and Power, - residing in the minds, hearts and souls of all Americans.

THE SPIRIT OF CHRIST.

It has been an Everlasting Revelation and the highest Privilege and Honor to be permitted to lift this Holy Veil and gaze into the Perfectly Clear Eyes of Truth, Beauty and Freedom, to see, hear and experience, -- in Gloriously Breathtaking, Breath-Giving, "4-Dimensional, Technicolor, Surround-Sound," -- the Rapturously Up-Lifting, Fulfilling "bread-th," depth, height and Timelessness of the Majesty and Mystery of the Living God.

..."My cup runneth over with Love."

Essentially, what my soul sings out (and overflows) in Sharing, is the pure truth that when one is 100% "Positive" that God Almighty, Our Precious Savior Jesus Christ, and the Holy Spirit are an interwoven Triune Reality dwelling amongst us -- beside, between, within, without, above and beyond our everyday awareness, -- it makes all the difference in the world.

"Beside" the fact that the Father, Son - and Holy Spirit (diffuse amongst the crowd or "Cloud" surrounding Jesus) - are quite literally and Astoundingly Visible in "Returnity," - I am re-forwarding a letter, which you may have missed the first time around. It describes, and reaffirms, this Ineffable Truth, reassembling all the enigmatic pieces of this Wondrous Jigsaw Puzzle.

...And guess Whose Holy Picture has been formed?

(And whose has been re-formed?)...

..."The Lord is my shepherd; I shall not want."

"He maketh me to lie down in green pastures: he leadeth me beside the still waters."

"He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake..."

...The Lord has led me to this Fountain of Truth, - and I have found you already there, my dear Beverly, - with your palms cupped, ready to drink His Holy Water.

May the Dove of Peace and Freedom alight upon your shoulder.

God Bless you
Always,
With His Divine Grace, Infinite Wisdom and Holy Inspiration,
David

"In the last day, that great day of the feast, Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink.

He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water."

Att'n: Mr. _____

Dear _____,

Attached is the included page of my PR Newswire Press Release (which was subsequently picked up by Yahoo News and Excite World News).

It was originally written for and submitted to US Newswire, in mid-September, which declined to transmit it, although I was approved via their credit application process.

Subsequently, it was submitted to PR Newswire after numerous painstaking rewrites to protect their own credibility and effectively transmit the newsworthiness of the events described. (They finally went ahead with it on September 28.

I must say, they were genuinely helpful and anxious to craft a viable release, which would appear professional and objective. (The result of this was essentially having me interview myself! - How's that for objectivity?... "I object, your honor!")

A very wise & highly experienced newsman and editor (for many years previously at the Associated Press) named Fred _____ (who said he fully believed my testimony as to witnessing God & Christ), assisted in carefully wording the headline and creating a more cohesive, meaningful connection between paragraphs.

(By the way, it was truly an energizing and faith-building pleasure making a meaningful reconnection with you last night. - I felt as though I had found a long-lost brother!)

...I also received and read your forwarded message: "Where Will You Spend Eternity?," and found it to be very detailed and similar in tone to many Biblical tracts I've read, combined into one; extremely effective, persuasive, timely and needed.

Especially in this highly-charged, hair-trigger "atmos-fear;" during this highly volatile moment in human history, where one spark could ignite the entire world, either physically for the unimaginably horrifying or preferably spiritually, for the ineffably wondrous.

Human beings are now at the point where we can either create a literal "nuclear whirl of hate" or a "New, Clear World of Love."

The choice is truly, collectively ours.

Let's choose to create an "atom-sphere" of Love!

Lotsa Love and Wondrous
Waves of Warmth,
(WOW!),
Dave

Dear Eunice,

God bless you for your kind words regarding my website, (located at: <http://www.Godyssey.org>).

What may be even more astonishing is the description of the following personal incident, which took place in September, 2001.

It was first sent in response to a young man who questioned the actuality of Jesus' presence on earth.

Subsequently, it was forwarded to Beverly , (Hiscounsel1 WebTV discussion group leader) who responded with amazement, very kind words and genuine fellowship, also.

I hope and pray that the miraculous Reality of His Astounding and Resounding, Holy and Glorious Presence shall manifest in your life, also!

Dear Matthew,

Your desire to know the reality of Jesus is truly admirable, you must love Him very, very much. I am truly communicating with you the best way that I can, so please bear with me.

I have a question for you. If you met a man who didn't immediately look like the man on the first page of my website, (but there was something vaguely familiar about him), and he asked you for just a nickel or a dime for a cup of coffee, but you refused to give him any money - was that man just a stranger?

Or stranger than fiction?

Would you recognize Him, later?

Or would it be too late?

...Well, the reason I'm asking you this (besides asking for patience), is that I met that Man, in exactly the way I described, but I did give him some money.

He looked me straight in the eye, (almost straight through my soul!) and said, "There is a God."...

Dearest Bev,

Thank you so much for your lovely Christmas card (and the warm sentiments expressed therein!) and, of course, your wonderfully thoughtful gifts.

It was especially kind of you to send the three Christian books, which I'm sure will offer considerable spiritual food for thought!

While glancing through "God's Laws Don't Have Loopholes," I noticed (on page 94), that the author wrote (in 1995!), in reference to Christ's Perfect Sacrifice of Love: "The burden of fear, as enormously heavy as the Twin Towers, is off your neck. Your head is lifted up." [!!!!!!!!!!!!]

This remarkable paragraph could well sum up how I felt on the morning of September 11th, in the short (1/2 hour) period after publishing my website and just prior to the horrific World Trade Center atrocity.

It would be virtually impossible to describe my feelings of electrifying awe and horror mixed with Apocalyptic imminence and immanent Holy Spirit-indwelling, Christ-on-Earth-and-in-Heart RETURNITY, upon witnessing the unspeakable and life-altering events transpiring before the world's collective vision.

No one can forget those heart-searing images, sounds, out-loud prayers and the Impending Feeling of "Somehow, Something, Someone, Somewhere, Sometime SOON!"

Personally speaking, it was exactly like watching massive Elevator Doors slide open between the unawakened and Awakened Kingdom and stepping out into a world on the brink of disaster AND Eye-blink of Salvation.

The burden of carrying this powerful knowledge, which now unfolds upon and within the hearts, minds, spirits and souls of all who read it, was Miraculously lifted, after 27 years of intense prayer and meditation and 4 years of Rapturous Wonder and Deep Gratitude.

..."How shall I, dear Lord, communicate the Holy Essence of this Astounding and Uplifting, Earth-Shaking, Kingdom-Proclaiming News, with Love, Peace, Joy and Wisdom?"...

The Holy Spirit infused and guided my being with Divine Inspiration in the creation of the website, and subsequent announcements.

The simultaneity of events and spontaneity of momentum was literally God Almighty speaking loud and clear, "The Time is Now! Your burden, my child, is lifted. They shall know My Face and that of My Precious Son, from one end of the earth to the other!"

Can you imagine what this felt like, Bev?

Ineffable Reverence and Utter Speechlessness would ALMOST begin to characterize one's emotions.

And although this is an intensely personal experience, I earnestly and steadfastly pray that pure-and-

open-wholeheartedness shall envelop the consciousness of all who look upon the Lord's Holy Countenance, and they shall see, eye-to-Eye and face-to-Face, the Passionate and Compassionate Truth therein.

It is also clearly evident, recently, that Jude, yourself, and Eunice (amongst others!) have also been filled to cuprunneth-overflowing with the Holy Spirit to Powerfully and Effectively communicate His All-Encompassing, Glorious Love and Wisdom to your discussion groups!

God bless you always, Bev, in your beautiful, "en-lightening," inspire-rational" and "Touching" spiritual outreach for Jesus and His Holy Mission to save all who turn and return with humility and Love to His Joyous open Heart and into His All-Embracing outstretched Arms.

Shalom
& Prayers for Peace,

With Christ's Infinite Grace, Love, Passion and Compassion, In Jesus' Wonderful Name,
David

That twin towers thing is pretty amazing, the one in the book.

I, too, was incredulous when that happened. It was an unbelievable thing. Good things come from all things, I think it has united our country and brought so many back to God, it is bringing God back into our schools.

You are such a beautiful person, I love you, David. LOL, if you will go way down to the bottom of this messed up html page and click on community one, you can see my web page. I do have a picture on it.

Dear Debi,

God bless you and thank you so much for keeping me in mind (and heart)!

I love your wholeheartedly Joyous, Uplifting and Compassionate, Christ-Inspired websites! And, although the Ephesians site is still "close to the right-hand (of the screen and:-) of the Lord", so to speak; with patience, I am able to understand most of the thoughts you wish to express.

It occurred to me to try and print-out a complete copy of the website - surprisingly, however, the pages were blank!

In terms of enlightening and inspiring experiences, though, the screen was filled to "cup-runneeth-overflowing" with a pure and beautiful testimony!

No wonder you have the endless, boundless desire to "shout your story from the rooftops!" (I know that Glorious feeling!!!)

How truly and Ineffably Wonderful to speak so intimately, comfortingly (and face-to-Face) with Jesus!!!! What an Honor to be able to share His Words and Radiant Countenance with the world!!! (I know that Electrifying and Fulfilling, Blissful and Awesome feeling, also!!!)

While it was sorrowful to learn of your parents' recent passing in September (on your Living Light page), it was, as you said, truly a blessing that they should be together in Christ. And, of course, consoling, to know in your heart that you shall all be reunited with the Lord in Heaven.

...There are so many inspirational true stories and loving testimonies that it is obvious many hearts shall be Touched and Healed (e.g. - two of my favorites: "The Man without A Face" and "The Barefoot Angel," which I am forwarding to friends, along with your site!)

I hope and pray that you may have been, in some way, Divinely Inspired by the wealth of others' testimonies, also, regarding God's Infinite Love, Almighty Glory and All-Encompassing Grace!

Shalom
and Prayers for Peace,

With Christ's Blessed & Miraculous Holy Spirit, David

I am thankful he saw fit to visit me, to rescue me from a life of destruction. I want people to know if they cry out to him he is a thought away. God Bless ...Stay close to Jesus ..Read his word. Ephesians 5 is what he did for me.

Dear Sir,

I have read your website, and I must say, I have a few questions

1. In the scripture above it says he arrives with clouds or in some bibles it says upon the clouds, did you see him in the clouds, did all the earth see him in the clouds arriving?

Jesus said you must test the scriptures, tell me what religion are you?

God is not associated with pain, yet you felt pain, we know from the scriptures the Holy Spirit is kind loving and gentle, then why so much pain?

Dear June,

Your thoughtful and penetrating questions have touched (one could even say, pierced) my heart, soul and memory.

I pray to God, Jesus and the Holy Spirit that I shall be able to adequately respond, in a meaningful way, to your profoundly heartfelt inquiries.

First, let me say that I was born Jewish, as was Jesus - and via a deep, lifelong searching, came to embrace Him, with open arms, mind, heart and soul as my Lord and Saviour, as well as God's Only Begotten and Eternal, Living Son.

In that regard (and light), - upon reflection, it becomes easier to understand and accept the pain I have experienced.

Following spiritually in the footsteps of Christ (and identifying with His Passion), being Graciously guided by the Holy Spirit, I carried that video camera on its tripod like a cross, whilst bearing the burden of over 20 years of the knowledge and memory of God's first revelation.

And painful rejection by the world.

I was almost ready to give up.

Yet at that precise moment, when I had lain on the ground at the top of the hill, amidst thousands of people, outstretching my arms to God, once more, in Love - He restored my strength, replenished my soul and returned my purpose of spirit.

I promise you, June, that I felt the Spirit and Hand of God's Judgment upon all souls gathered on that hillside throughout one 90 degree August day, in 1997.

I stood up and walked, in deepest prayer and communion with Jesus, fervently praying for universal forgiveness, guidance and enlightenment.

These events all transpired prior to collapsing, while standing up to applaud the finale of a wondrously harmonic, almost angelic and "uplifting" concert.

At that time, I felt as if my left leg had disappeared and I was going right down through the earth!

As I have testified, on the first page of the "Returnity" website, I was in a state of ineffable shock, as I had been lifted up and placed back safely upon the ground.

I dare say that this was the redemptive moment of spiritual rebirth amidst Christ's Salvation of my soul.

It is probable that I suffered the initial, painful Judgment of God, whilst being without complete knowledge of, nor faith in Christ Jesus and did, in fact, physically die (after losing 20 days of sleep), on September 16, 1974, two days prior to my 20th birthday...

"And it is appointed unto men once to die, but after this the judgment:

So Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation."

- Hebrews 9:27,28

May I also say that the Holy and Almighty Countenance of God is spoken of in scripture in Exodus 33:20:

"A human being shall not see My face and live."

The Ultimate Magnitude and Intimate Glory of His Almighty and Infinite Power, that which Created the Entirety of the Manifested Universe, is too much for any human being to apprehend or comprehend whilst alive.

Perhaps this is why He conceals the Immensity and Intensity of His Glory and Radiance from us, out of Infinite Love and Mercy, so as not to destroy us, physically AND psychically.

For, if one were even able to begin to conceive of (or unleash) the Inconceivable Power within only one atom (!), amongst trillions of atoms in one human body alone (!!!), this would be truly infinitesimal in terms of that which is inherent in God's Infinite Universe!!!!!!

...As to your question regarding the clouds with which Christ shall (I believe has already) appear(ed), I can only speak personally:

I believe, with Miraculous and Rapturous Timing, He has unquestionably Returned (to our collective Vision) via the World Wide Web, on September 11th, 2001, at 8:17 AM EDT, one half-hour prior to the unspeakable events which transpired and were televised around the world.

Amidst the Clouds.

Amidst the Heroes.

Amidst the Rescuers.

Amidst the Inhumanity.

Amidst the Saints.

And, yes,--

Amidst the Terror.

And amidst the Holy Spirit of Love and Hope -- in the midst of nightmarish despair.

...I am also forwarding a series of letters which I have written to other sincere seekers who have had their eyes, minds, and hearts opened by the Holy Spirit.

These letters describe an ASTOUNDING encounter with the Man I have long sought, in the very same month of September, 2001 (!!!!!), Whom I wholeheartedly believe is presently Judging each and every one of us.

"And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be.

I am Alpha and Omega, the beginning and the end, the first and the last."

- Revelation 22:12,13

"Love is "for-giving."

God Bless and Inspire you with His Divine Grace, Wisdom, Passion and Compassion,
In Jesus' Precious and Holy Name,
David Fine

A postscript:

Approximately 2 years after the initial experience of being Reborn in the Spirit on August 10, 1997, I saw a young man who, while his hair was longer and slightly lighter-colored, strongly resembled the Man on the videotape.

Incredibly, he worked in a shop in the town adjacent to where I live.

I approached him - this time, in literally 100 degree heat (!), and described the video, along with the Man on the tape, and the following miraculous events surrounding its origin:

[Preceding the barefoot Man walking down the hill, there appear two young men; one of whom has a red cross on his shirt!

Diagonally alongside the Man, there appears a young man wearing a shirt featuring the Face of Christ, with a Crown of Thorns!!

Immediately behind the Man, there follows a naked child!!!

And behind the child, when the still-frame is enlarged, there appears another image of a Cross!!!!

When the original videotape is viewed in black and white, with the contrast adjusted to the maximum degree, a Glorious Halo of Energy encompassing the Man's head (such as is depicted in religious iconography), is clearly visible!!!!]

...Then, for the first and only time that I ever personally asked anyone -- I inquired if he had attended that particular event, that day.

Stunningly, he said that he had, - also attending the separate concert in the grove where I had collapsed - REMEMBERING THE ENTIRE EVENT AND THE AMBULANCE WHICH HAD TAKEN ME TO THE HOSPITAL.

At that point, I ecstatically embraced him, as if I had found a long-lost Brother, still unaware of whom he might be!

...(If only we were ALL able to embrace one another as long-lost Brothers and Sisters, we might then ALL find Christ within each other!!!)...

In any event, he had a warm and radiant personality (which he modestly admitted many people had commented upon), and, after verbally sharing experiences, confided that he also worked as a camp counselor with disabled children, during the summer.

Even more amazing was that while a teenager, his friends nicknamed him "Jesus Christ," because of his resemblance to commonly-accepted, religious images of Christ's appearance.

I told him I would be happy to give him a copy of the videotape and asked if he might recognize himself to please let me know.

(I am dedicated, as you are, June, to understanding the Truth, wherever it shall lead.)

After viewing "Returnity," he said that although he resembled the man on the tape, he did not recall walking down the hill, barefoot, nor with a naked child following behind him.

While the remarkable coincidence of his presence during the initial incident was quite unforgettable in itself, it would have been far beyond coincidental if he was actually the Man, Himself.

Nevertheless, I did not lose faith.

On the contrary, this encounter became a catalyst and redefined focus for even more intense contemplation,

meditation and prayer.

Therefore, in regard to the following, forwarded communications, -- to contemplate His Holy Countenance, which appears on the first page of my website, I believe, with every fibre of my being, is to see our Lord and Saviour, Jesus Christ, face-to-Face.

"And they shall see his face; and his name shall be in their foreheads."

And tell me, how old is this photo of Christ? Where did you get it? Did you take this photo yourself from a living breathing human of today's date?

Is this the same man in Eternity? Don't get me wrong, I believe in God, and that Jesus Christ is his son, and our saviour. I am just curious.

Dear June,

In the event that you may have deleted the original e-mail, I am forwarding the following letter.

Please read it again carefully, with patience and understanding, for I addressed each of your questions within the body of the letter and genuinely aspired to answer your questions to my utmost human ability.

Regarding the overriding and transcendent matter of Christ's immanence in our lives, the most intimate way to experience the Lord's Holy Presence in one's life and on earth is simply to be aware of the fact that He was Resurrected from death AND (PRAISE GOD!) IS ALWAYS WITH US.

However, we are all too mortal.

Therefore, His Existence is infinitely more real than ours.

I do not question His manner of Salvation.

I am simply filled with inexpressible joy and ecstasy, knowing that He Loves me enough to literally reach out, lift me up and Save me from eternal destruction.

If I were to overlook or forget the Truth of this event, I would not be saved!

That is why I believe that, after doing my absolute best to communicate in words, an experience which is essentially ineffable, it is ultimately only expressible via the original, I believe, Divinely inspired videotape.

Jesus is Humbly and Eternally reaching out to us in Purest Love and Compassion, yet, until we are able to

embrace Him in childlike faith, with love and compassion in our own hearts, being reborn in the Spirit, He shall not be fully apparent (nor Redemptive) in our lives. And we cannot apprehend the kingdom of God. (John 3:3)

In that regard, I have a gentle, yet vital request to ask of you: before viewing my entire website, did you heed my heartfelt plea not to proceed unless you were already in possession of an open mind, a compassionate heart and a courageous soul?

As I said, I would be pleased to send you the video (thank you for providing your name and mailing address!); but, if you feel that you might not be able to view the video with innocent, childlike eyes nor with true love and compassion for one's brothers and sisters, it would be better to rest the matter here.

The most important thing I can relate to you is the fact that, although in a highly expectant state of mind, when God initially appeared to me, in all His Holy Power and Glory and with all His Ineffably Almighty Being, at that moment I had no preconceptions, no prejudice; only innocent eyes.

It is also quite possible that Jesus' own Innocence, Intensity and Purity of Essence in Person are so Inconceivably Powerful that we cannot (yet) be aware of His existence on earth at the moment He appears before us, lest we be instantly transfigured to our deaths.

Until His Holy Spirit and Bodily Presence is manifested in All-Embracing Love in the Holy Land (of our Consciousness), and fully Returns to our collective awareness.

For, truly, truly, most of the world is still asleep (unconscious). And, although September 11th, 2001 was the Day "God's Heavenly Wake Up Call" was first Trumpeted, humanity gradually "awakens" to the fact that He has been amongst us from the very beginning, as we are gradually and Graciously brought to our Eternal senses.

And when we are fully conscious (or Enlightened) and crowned with compassion and brotherhood, He shall be Universally acknowledged as King of Kings and Lord of Lords, and "every knee shall bow, every tongue shall swear."

Until WE come to life and LIFE comes to us.

"Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh."
- Matthew: 24:44

God Bless you.

With Christ's Love, Grace and Hope for Mutual Understanding,
David

P.S. - Please forgive my tendency to write "books." This is the result of having "my cup overfloweth with Love," and I sincerely hope I do not drown you!

P.P.S. - I am going to (blessed!) sleep, it is after 5:00 AM, here in the U.S.A.

Merely human am I, and have never stated otherwise. Please understand that I am truly responding to you as God inspires me to do so (or not to do so). I cannot read another person's mind or heart, only God can do that.

(Yet, being human, we are all capable of judging another person's behavior, in terms of their positive, negative or neutral intentions toward us.)

Dear David,

It has been said that he will arrive in the clouds and every eye shall see him, well I did not see him arrive.

Do not be deceived by Satan, as it also says the Antichrist will arrive and profess to be Christ, and he shall be a Jew, for the Jews will be deceived once more! Be careful!

God said "TEST THE SCRIPTURES" as there shall be many false prophets! Jesus said he will come in the clouds next time in all his glory. And if you study the book of revelation, the antichrist shall be here reigning this planet right now....and he shall rise up in the Middle East, and be the most beautiful man, and talk about peace, bring about peace, and every man shall follow him, and once again the Jews will be misled!

If the long haired guy in the photo with the crescent moon t-shirt is Y'shua the messiah (wrongfully named with the Greek transliteration "Jesus", then he's violating the Bible scripture that says men should have short hair. The crescent moon is the Islamic symbol for the Islamic moon-god they call "Allah", which is why they have that symbol atop mosques etc. Obviously you have been influenced by New Age wacko beliefs (ANTI-Christian) as evidenced by your ramblings about chrakras etc. and rainbow/sun etc. symbols. Besides, there are some prophecies that the Bible makes clear have to happen before Christ returns which have not happened yet. Some have come to fruition- plagues, pestilence, floods and the turning away from God and the sinfull proudness of people. And the most important reason that Christ has not returned is that scripture says we will all hear the trumpets blow and will ALL KNOW he is here. It will not be a question at all. And of course the judgement would immediately begin, which it has not.

As the Hebrew poem says, "Lovely face, face of beauty...etc."

Whoever looks at Him is instantly torn; whoever glimpses His beauty immediately melts away. Forgive me God, but if thats your face on this clown's web site, I find it about as lovely and beautiful as Charles Manson's. I felt no melting away.

Read Bonnie Gaunt's books. (She also wrongfully predicted his return date, yet she compiled amazing proof of his grand majestic design) Ironically, you may find her books misplaced in the New Age section of a bookstore.

They taught bible stories from a kids point of view. Lots of action and suspense!

I'm gonna actually go to church this Sunday, I have a list about 6 chuches in my area i will visit one by one 'til I find a preacher I'm excited by, (one who's not boring but stirs the spirit to think about things.) A preacher who will inspire me and help me help others.

What do you think? Is this a good plan or is this "fallen agnostic" just groping for help?

Subject: Re: HI DAVEY AND GOLIATH

Dear Kim,

Oh sure, I used to be utterly fascinated by the way the little clay folks moved and "rippled" into each new position

(thanks to the magic of unseen hands prodding Davey & Goliath "into shape", in between "visible" time). - Even while standing still, sometimes they "quivered with tell-tale fingerprints!"

...Kinda makes you wonder about real life - and if there actually are unseen forces, "molding" us into shape in the moments "between" our own visible time/space dimension!

When you think about it, if an advanced civilization (or our own, millions of years in the future) were to have the ability to de-materialize and to travel in time & even "freeze" it, they could alter any particular set of events they chose!!

And they (or the effects of their miraculous intervention - & invention) would "appear" to us to be angels! - Or, if their intent were somewhat malevolent - as demonic!

There's a film I would love to see, (German, I believe) called "Faraway, So Close." Have you ever heard anything about it, or seen it?

Clips from it appeared in a wondrously & exquisitely beautiful, hour-long PBS documentary, narrated by Debra Winger, entitled "In Search of Angels."

It is often aired during religious holiday/fund (& consciousness)-raising times.

One excerpt from "Faraway, So Close" in the documentary really moved me quite a bit.

It involved a young child (watched over by her Guardian Angel - a being with an otherworldly countenance, dressed in a dark suit).

The young girl fell off a tall tower, or building, and started screaming in terror!

As she hurtled toward the ground, the Angel placed his hands over his own eyes and screamed along with the poor, innocent, seemingly doomed child.

As she was about to reach the ground, the Angel miraculously appeared and caught her gently in his arms!

This poignant scene touched me so much, that I'll never forget it - and am "DYING" to see the whole film!

...In regard to your plan to "search for a church" - as long as you are aware "going in" that all religions should serve as a bridge or temporary "refugee ship" to a "safer shore," you'll be fine! (Don't let 'em turn ya upside down 'n' "rattle" ya' till all the "change" comes outta ya'!)

In other words, if they lead you to find God (Love & goodness) within and outside yourself, and within others, that's great!!!

If they lead you to their "wishing well" and repeatedly urge you to toss a good chunk of your finances in (and "make a wish") - "make a run" for the hills! Especially if others in the congregation, besides the pastor and elders, make you feel even the least bit guilty for not contributing your tithe to their coffers. Or if they coerce you to believe every little thing they believe. Or make you feel ashamed about human sexuality (which I view as the major schism in traditional "christianity".) - [I use a small "c", because most sects deserve "zero capitalization"!]

If "more sects had more sex" (and genuine, unconditional love and TOLERANCE of others' beliefs and lifestyles), the world might truly be a more loving place!

The odds are not high that you'll find such an all-embracing, "360 degree, wide-screen consciousness" church (anywhere), but if you can find a group of TRULY warm & caring folks who share a common love of God and ALL others (meaning acceptance, not just "temporary tolerance," of others' differences), you've gotten lucky...

So go for it, Kimmy, you'll probably make a lotta nice friends, at the very least!

Just don't let 'em make you feel ANY guilt (about minor transgressions) or fear AT ALL, about your own personal beliefs, based on your own set of unique life experiences. After all, why would anyone choose to experience anything new at all, if one didn't acquire some PERSONAL insight and wisdom along the way?

(And I'm sure the new experience of a new church will provide you with even more wisdom - probably a combination of yours AND theirs, as always happens in any given "Gestalt"/encounter.)...

...One of the most intriguing facts I have ever heard, was uttered by the pastor of the _____ Church (Rev. Peter _____) in _____, (& I told him so!) when I attended briefly, and attempted to communicate what happened to me, in 1997.

He said, "95% of all the prayers written in the original Hebrew religious texts were devoted to praise of God."

This seemed to be an invaluable fact to me personally, because it reconfirmed what was happening inside of my own heart & soul, just immediately prior to witnessing Christ, (in Person!!!!!!) via the sublime "up-to-heaven" miracle of "down-to-earth" videotape!!!

At that time, "trance-ending a-cross" the summer of 1997, my internal dialogue or prayers were "inspirationally" motivated; mostly all in praise of God and Jesus, and thankful for where the Grace of the Holy Spirit had led me...

...To His miraculous and inconceivably "for-giving," self-sacrificing Love.

...Which doesn't mean self-destroying -- but a self-giving, interpenetrating (& impenetrable) all-embracing, Divinely compassionate desire or need to reach out and grasp the hand of someone who has fallen down in sorrow, pain & tears...

...And gloriously lift them up in joy, bliss and Rapture!

Hopefully, I have been able to communicate some of that same "uplifting" feeling in "Returnity."

My own small way of "relaying" the torch of Love to others...who will, hopefully, transmit something of their/our own amalgamated experiences to, still others!

Amen.

..."This is the end of our sermon for this week; now, everyone, please turn to the Book of Revelation, Chapter 10, Verse 1"...

Lotsa Lotsa Love and glad to hear you're feeling much better,
David

P.S. - God bless ya' !...

Subject: An Enduring Friendship & Collaboration...

Dear Larry,

Once again, your continuing friendship & generosity are truly deserving of words far beyond my ability to express such gratitude!

We've known each other for over 20 years -- and during that time have collaborated on Godyssey's ongoing book text and image updates, illustrations, cover designs, computer graphics, video box covers, website captures, CD compilations and now, via the dawning of a new (more affordable) age of technology, with God's guidance, -- the unification of all media formats into one -- DVD.

I truly believe that the Lord did, indeed, lead us to find each other, -- because after working on this project for almost 30 years, I can honestly say that there's probably no one else on the entire planet who would have or COULD have devoted as much time, energy, imagination, talent, artistic skill, computer wizardry, advice or downright, down-home warmth & compassion to this "impossible mission" -- FOR VERY LITTLE OR NO MONEY -- as YOU, my friend.

And for that I'm 'return-ally' grateful and blessed -- to have known someone as caring and wholeheartedly giving as you are, with true purity of heart and simplicity of needs; someone who enjoys, appreciates and honors the often unacknowledged, yet genuinely significant things in life -- and, -- just to be your friend!

In other words, Larry, you're 1 in a trillion! Your wife & 2 daughters are fortunate to have a fellow like you in their lives.

(...And I'm sure you probably feel the same way about them!)

Lotsa Love & God's Blessings, Always,
Dave

P.S. -- ...Oh, and please add this message to the beginning of all the letters to be included on the CD file -- I realize you're also quite modest, -- but believe me, Larry, I certainly mean every heartfelt word and would like to extend to you this small gesture of thanks, acknowledge your long-standing, unwavering support and (in the process!) share the gift of your inspirational creativity with as many people as possible.

Dear Larry,

To say it was shocking to see "Godyssey" listed on Barnes & Noble.com would be a true understatement!

I was just searching Google.com for any web page mentions about the news story on Sept. 28th, when I came across this page.

When I first saw the listings of our names and the book info, I was wondering, "Who in the world is making money on this???"

Reassuringly, the book IS unavailable (even via out-of-print and rare book dealers, at this time), or else I might have begun to believe there was a black market for the book out there.

You wonder if an actual human being went to the trouble of creating the page or was it auto-generated? (They did spell: "Mt. Seraphim Press" incorrectly).

Well, it is nice to know that we do exist, though, - right, Larry?

Lotsa Love and Best Wishes for a Wonderful Thanksgiving,
Dave

www.Godyssey.net / An Open(-Hearted) Letter

Dear Reader,

Please consider this to be an open letter -- reaching out to all who may harbor doubts as to the veracity and/or reality of an, oftentimes, mirror-shattering, "I-opening" testimony.

...Once, while in school, I opened one of the largest dictionaries I'd ever seen, to a random page (...no, it wasn't The "Random House" Dictionary!) -- and came across the word: "ilinx."

I had never seen or heard the term before -- and had never seen or heard it used again.

To paraphrase the dictionary definition, it meant: "a whirlwind or vortex; inducing vertigo."

The experience of seeing this word lasted, perhaps, at most: 20 seconds.

About a decade later, when seeking to adequately express the inexpressible feeling and experience of a "face-to-Face" Encounter with an Almighty Creator (in my book: "Godyssey"), I struggled to find just the right words.

The "AHA" moment of rediscovering a rare, long-lost term to describe a rare, long-lost experience (to humanity) was almost a Divine Revelation in itself!

But, -- could I trust my own memory?

The word was not in any dictionary I could find; I wasn't even certain if it was spelled: "ilinx" or "illinx."

[*Regarding further proof that the word is not presently in existence in any major dictionary (or encyclopedia), -- for the "Time-Being," as of May 2004, -- search: <http://dir.yahoo.com/Reference/Dictionaries>].

After considerable debate, I decided to trust my own recollection and take a leap of faith, -- to express what was in my heart, mind & soul, the best way I could, -- with a word, never spoken or heard, in existence for only a brief time, -- and possibly only in my imagination!

Even with the advent of the internet, finding a definition for "ilinx," proved to be quite a challenge; yet, I elected to go forward and publish crucial excerpts from "Godyssey" on the web, without "definitive" proof of the word's existence.

Of course, this is a (meta-)metaphor(!) for believing in the existence of something that many people would find impossible, without proof or foundation -- irrational, imaginary and irrelevant to everyday life.

(...If a particular word isn't found in any dictionary, does it exist? ...If it isn't in YOUR dictionary, does it exist? ...And does it have meaning? ...If an idea is inconceivable to YOU, does it exist for ME? ...Does LIGHT exist for a blind person? ...Do WE exist for an amoeba? ...Do WORDS exist for a blind AND deaf person? ...Does JESUS CHRIST, the WORD of God, exist for a spiritually blind and deaf WORLD?)

Yet, while rarely seen, heard or understood, -- this word: "ilinx" (AND our unseen, unheard, often-misunderstood GOD), -- DOES "IN-DEED," EXIST!

Although there are thousands of irrelevant hits on any search engine, I have since found a "silent minority" of verifiably valid definitions of "ilinx," existing within a virtual "parallel dimension." (...Amongst a few bright and shining, pertinent links which are disappearing, one by one, like stars going out!...)

With the spelling just as I had recalled, -- meaning exactly what I had thought.

[**Search the following link for further proof:

<http://www.amazon.com/exec/obidos/external-search/102-7366136-2576166?keyword=ilinx&mode=blended&tag=bartlebylibrary&GO.x=10&GO.y=10>]

This "confirmation" was most gratifying!

However, as you may or may not have read (via: www.Godyssey.org), the phrase that I used just prior to: "ilinx" (to describe the unforgettably "inscribed" feeling of BEING in the Ineffable Presence of God), was: "At Ground Zero."

Published on the internet for the first time, just prior to the World Trade Center Attack on September 11, 2001.

Now known as: GROUND ZERO...

Is there a meaning or connection between these extreme coincidences?

Well, I am once again placing my faith in What and Whom I have "person-ally" seen & experienced "i-to-I" and "FACE-to-face."

For almost exactly the same space in time: 20 seconds.

Each time.

...I have seen, and been Judged by, God.

OUR ALMIGHTY CREATOR.

One God, -- IN(DI)VISIBLE, -- with "Liberty and Justice for all."

I have seen, and been Saved by, Christ.

JESUS CHRIST, THE WORD OF GOD.

One Word, -- in a whirling world of words.

And I have been given an Impossible,

"Impossessable"

PROOF.

One Proof, -- in Spirit and in-Deed, -- THE UNITED STATE OF A-MIRACLE.

I am sharing my Proof...

with you,

Dear Reader.

GOD IS A PRECONCEIVED MOTION, -- THE PERPETUAL NOTION.

"By the hand of thy prophets, in the mystic utterance of thy servants, thou hast imaged forth the grandeur and the glory of thy majesty.

Thy greatness and thy might they described in accordance with the power made manifest in thy acts.

In images they told of thee, but not according to thine essence; they but likened thee in accordance with thy works.

They figured thee in a multitude of visions; behold thou art One under all images."

- Hymn of Glory

May God Bless You Always,

With Christ's All-Embracing
Love, Peace, Joy,
Hope, Ecstasy,
Freedom

&

GRACE,

David Saul Fine
